On July 16, 2014 a letter was sent to Mr. Stephen R. Spencer, Ph. D. (Regional Environmental Officer), Office of Environmental Policy and Compliance, U.S. Department of Interior (DOI).

The letter was a notification of EPA's Planned Enforcement/Remedial Actions pursuant to CERCLA for the Wilcox Oil Company Superfund Site in Creek County, Oklahoma.

The letter was a notification of EPA's intent to issue a Special Notice Letter to potentially responsible parties and offered to provide copy of the SNL to the DOI designated points of contact.

This email provides copy of such SNL signed on July 28, 2014. Please note that the letter includes a full list of potentially responsible parties.

If you have any further questions, please contact me at your earliest convenience.
